Truly great freshwater and saltwater fishing abounds throughout the state, from the classic Catskills trout streams to the mighty Hudson and Delaware rivers; from Lake Ontario to the Finger Lakes; from Long Island Sound to the bluewater canyons off the coast; from saltwater bays to artificial reefs; from the smaller sweetwater rivers and New York City reservoirs to surprising trout streams and bass ponds on Long Island.

Luftglass and Bern provide readers with immediately useful insights into each of the 100 best sites. They furnish easy-to-follow directions, descriptions of the body of water, boat launch information, and detailed advice on live and artificial bait, fishing methods, equipment, depths, best times of day and year, secret tips particular to each site, and even specific places to work bait or lures. *Gone Fishin'* also includes places that are good for children, as well as those which are handicapped accessible.

Throughout the book, Bern and Luftglass share anecdotes about their own fishing adventures and some of the big ones that didn't get away in their more than 33 years of fishing together. The information they cram into every chapter will help you find the spot, fish it more effectively, and catch more fish.

Whether you fish 150 times a year or you are planning to fish for the first time, you're sure to fall hook, line, and sinker for this entertaining and educational guide.
